

CARONDELET PARK *Rec Plex*

operated by the YMCA of Greater St. Louis

Frequently Asked Questions

Q: Why do we have to pay for a membership if we live or work in the City of St. Louis?

A: The facility is owned by the City of St. Louis but will be operated by the YMCA of Greater St. Louis under a long term agreement. While the city’s 1/8th cent sales tax funded the construction of this building, membership rates fund the operation of the facility.

Q: When will the building open?

A: The facility is expected to open for touring and sales in early November. The YMCA of Greater St. Louis team is working diligently with the City of St. Louis to meet timelines to open the facility for a grand opening in late November.

Q: Will Carondelet Family YMCA memberships automatically transfer to the new facility?

A: Yes, members will receive a letter about 30-45 days in advance of the opening informing them of the monthly membership rates, which will depend on city residency.

Q: What are the joining fees and what is the reciprocal membership with the South City YMCA?

A: Memberships are available for city residents and non-residents for the Carondelet Park Rec Plex, however Non-Resident Memberships and Metro Memberships will be required to pay a joining fee. Any membership at the CPRP is reciprocal with the South City Family YMCA, meaning members can use both facilities at no extra cost!

Q: When will the outdoor pool open and how will that membership work?

A: The pool will open on Memorial Day, 2010. For facility members, the annual pool fee is paid once per summer in addition to the applicable monthly membership dues. Non-members may also purchase an annual pool only membership. Members will be able to bring a friend on a Guest Pass for a daily fee, however this policy will be finalized closer to the opening of the outdoor pool.
