The Mission of the YMCA of Greater St. Louis is "To put Christian principles into practice through programs that build healthy mind, spirit and body for all."

Those not able to pay full program or membership rates may be awarded financial assistance based on their demonstrated need.

The YMCA believes that ownership and pride are best developed when recipients of financial assistance contribute to the cost of their YMCA involvement. **Thus, all eligible recipients will be asked to pay a portion of their membership/program fees.**

DFS recipients will be responsible for fee balances not covered by DFS.

To maintain eligibility of financial assistance the recipient must reapply prior to the expiration date stated on their scholarship assistance letter.

Funds for financial assistance have been made available through generous contributions.
